

# Entering Hepatitis C (HCV) Screening, Results and Referrals for Diagnostic Testing and Treatment— *Hepatitis C Rapid Testing*

## Entering Hepatitis C Screening, Results and Referrals for Diagnostic Testing in AIRS

*Prevention-funded contracts providing HCV screening are required to document and enter the following services for all individuals receiving HCV Rapid testing:*

- HCV Rapid Testing Module (**please note** that this module creates a service encounter, lab test(s) and, if applicable, referrals to diagnostic testing and treatment)

*This module uses data validation depending on the results entered to ensure all expected data elements are completed for Reactive results. You will be able to save and return to the module to add new information related to diagnostic testing referrals, results and follow-up as needed.*

**AIRS Setup**

Mapping Data – HCV Rapid Testing

Confirm that Service 1345 – Screening/Testing for Hepatitis C (Prevention) is included in your program mapping

Intervention: Primary Care  
 Service Cat: 00002 Primary Care  
 Encounter: 89 Hepatitis Screening, Testing, Treatment  
 Service: 1345 Screening/Testing for Hepatitis C (Prevention)

Program Setup – HCV Rapid Testing

Confirm that ‘Include this program in the “HCV Rapid Testing” screen’ is checked

FWAA5 WSU Womens Prevention

Status  Active  Inactive System

Name WSU Womens Prevention

This program requires enrollment

Include this program on "SEP Unit Referral Report [All Referrals]" report

Include this program in the "HCV Rapid Testing" screen

**Data Entry – HCV Rapid Testing Screen**

- Navigate to **HCV Rapid Testing** module and select ‘Add’

Client Information and Services

Find Client... POCKET, POLLY Add Edit Remove... Save Cancel Print... Help

**HCV Rapid Testing**

Date	Program	Result	# of Referrals

Test Date: // // Program: Worker: Site:

**Test Information and Referrals**

Has the client been previously tested for HCV?  Yes  No  Unknown If Yes, Date: // //

Has the client been previously cured of HCV?  Yes  No  Unknown If Yes, Date: // //

**Risk Assessment**  
 If the day is unknown, enter '01'

- Enter the HCV test date, Program, Worker and Site
- Select the **Risk Assessment** tab
  - Enter the HCV Primary and Additional Risk factor information and/or verify that prefilled risk information is complete and accurate

**Test Information and Referrals Tab**

- Enter whether the client has previously been tested for HCV and whether the client has been previously cured of HCV
  - The date field requires a full mm/dd/yyyy date. If the day is unknown use '1'
- Enter the result, whether or not the results were provided and, if so, the date that results were shared with the individual

- If the result was Non-Reactive (Negative), you can **Save** the module
  - A corresponding HCV rapid testing service encounter is automatically generated
  - A corresponding HCV laboratory test record is automatically generated

- If the result was Reactive (Positive), indicate whether the client was referred to Diagnostic Testing
  - If the client was referred for Diagnostic Testing choose the Organization (site) that the client was referred to and what the Outcome of the referral was
    - Acceptable outcomes include:
      - +01 Client Received Service
      - -19 Client Attended Appt. – Unable to obtain specimen
      - -21 Client Declined Offer of HCV RNA Referral
      - -01 Client Refused Service
      - -07 Lost to Follow-up
      - -04 Appointment Pending

<p><b>Results</b></p> <p><input checked="" type="radio"/> <b>Reactive (Positive)</b></p> <p><input type="radio"/> <b>Non-Reactive (Negative)</b></p>	<p><b>Provided</b></p> <p><input checked="" type="radio"/> <b>Yes</b>    <b>If Yes, Date</b> <input type="text" value="06/01/2020"/></p> <hr style="border-top: 1px dashed #ccc;"/> <p><input type="radio"/> <b>No</b>    <b>If No, Reason</b> <input type="text"/></p>
<p><b>Client Referred for HCV Diagnostic Test?</b> <input checked="" type="radio"/> <b>Yes</b>   <input type="radio"/> <b>No</b>   <input type="radio"/> <b>Client refused offer of referral</b></p> <p><b>If Yes...
