

Welcome to NYSDOH HCS

Andrew M. Cuomo, Governor | Nirav R. Shah, M.D., M.P.H., Commissioner

Please login to begin using the Health Commerce System

Please note: For security reasons, all browser sessions will time-out after 1 hour of inactivity, and expire after 8 hours, at which time you will be required to log back on to the HCS.

Enter your User
ID and Password

User Id: Password:

If you have forgotten your password, please call the Commerce Accounts Management Unit (CAMU) at 1-866-529-1890 (M-F 8-5pm)

Site Policies/Terms of Use

Violation of the security and use agreement (e.g. sharing your account user id and password with someone else) will result in the temporary suspension of your account privileges until required remedial action is taken by executives at your facility.

Repeat offenses may result in the permanent removal of the account.

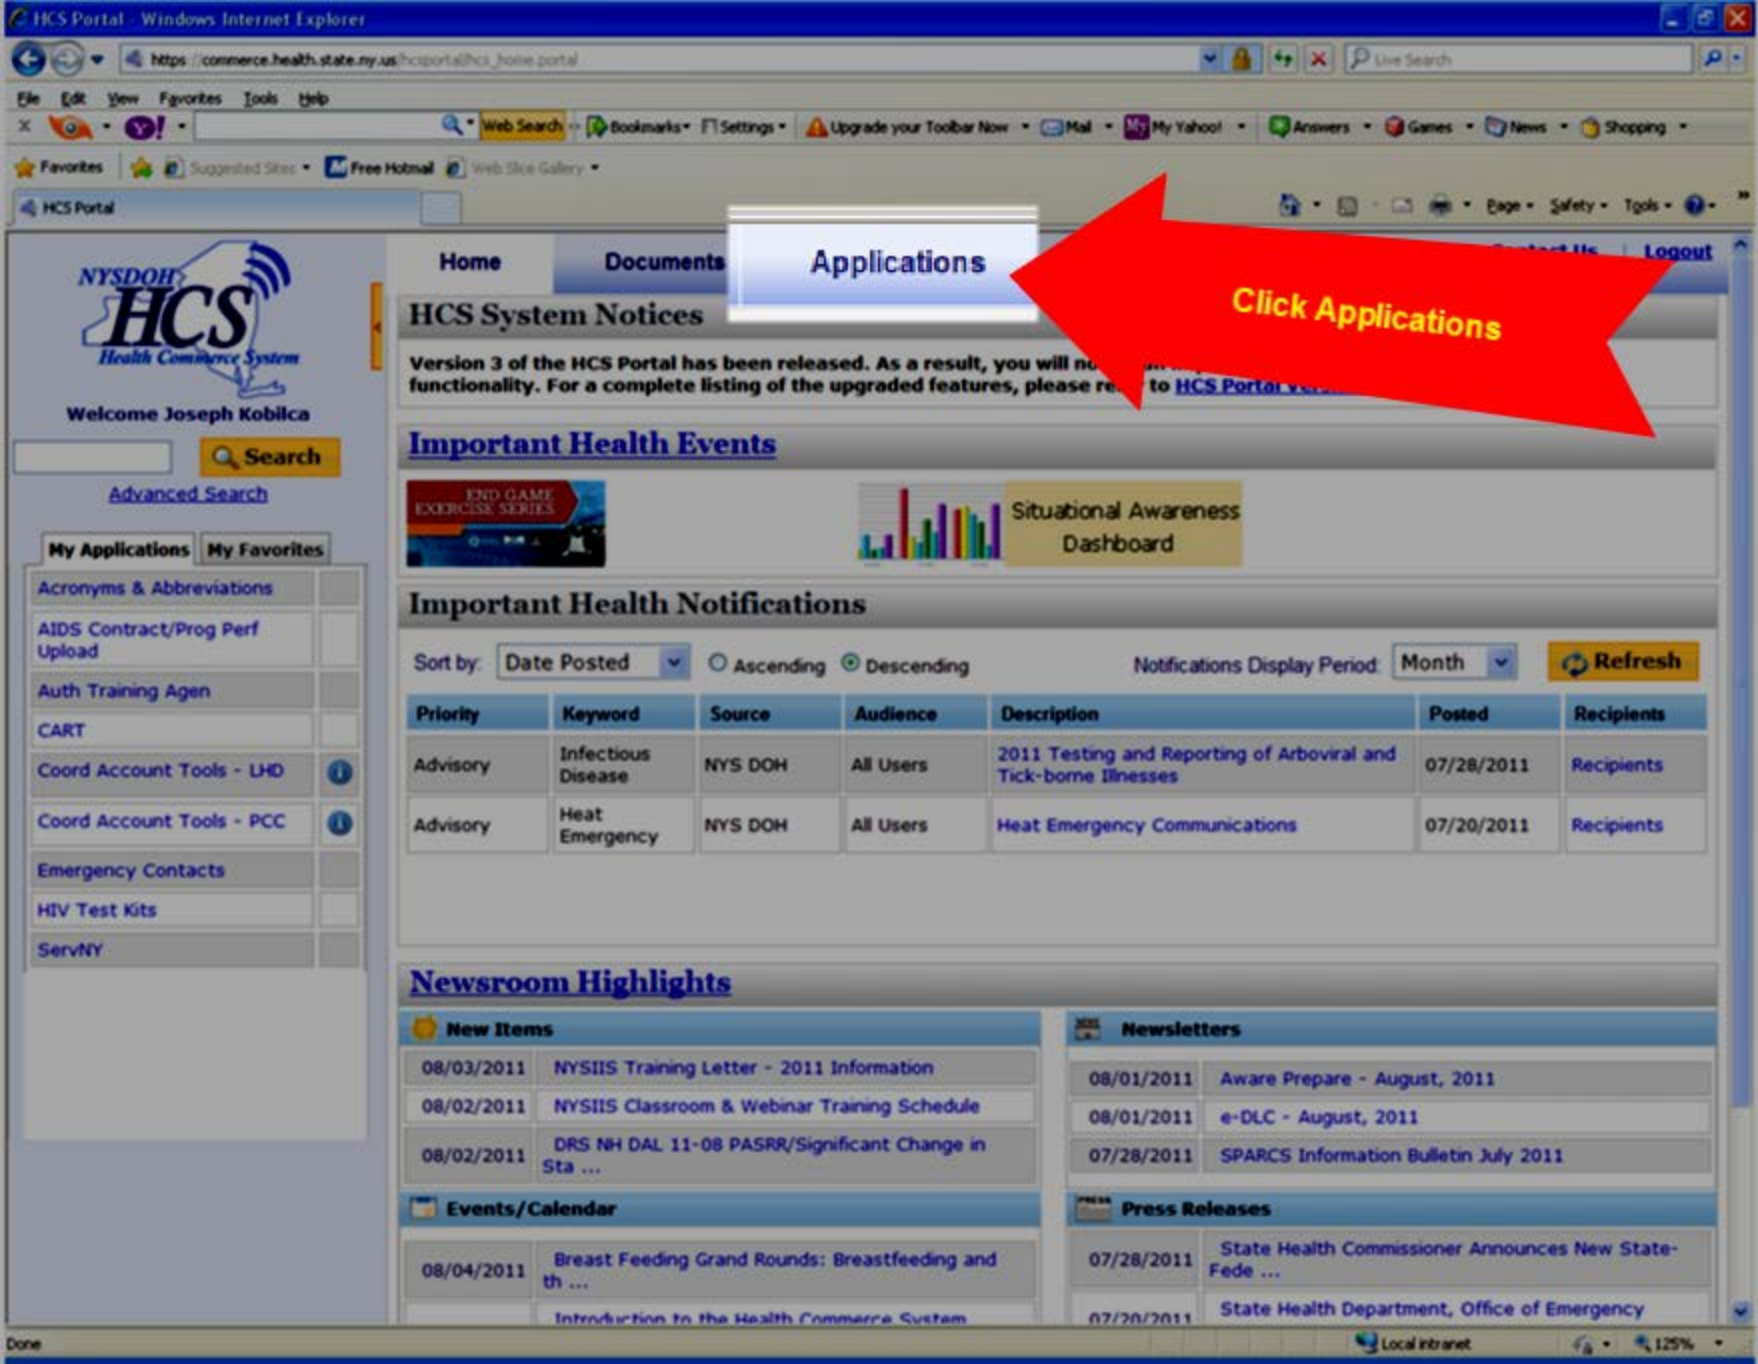

Contacting the Commerce Accounts Management Unit with someone else's account information will result in the account being disabled due to a security breach.

Important Site Notices

Click here if you are experiencing technical problems with the site:
hinweb@health.state.ny.us

For all other issues, e.g. passwords, please contact the CAMU Help Desk.

The Office of Cyber Security necessitates that passwords for secured sites meet minimum requirements. In order to comply with these requirements, HCS password rules will be modified. More information will be sent at a later date.

AIDS Institute Monthly Report Extract Upload

[Go back](#)

Purpose: This upload utility should be used to submit required reports to the AIDS Institute.

Instructions: To upload a file, click on one of the buttons to the right of the file name, then click on the Upload button.

Your Email address: jwk03@health.state.ny.us

Mail to: Ryan White Annual Services Report (RSR)

Upload file (1): AIDA/URS Submissions

Upload file (2): Ryan White Annual Services Report (RSR)

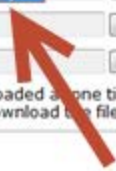

Upload file (3):

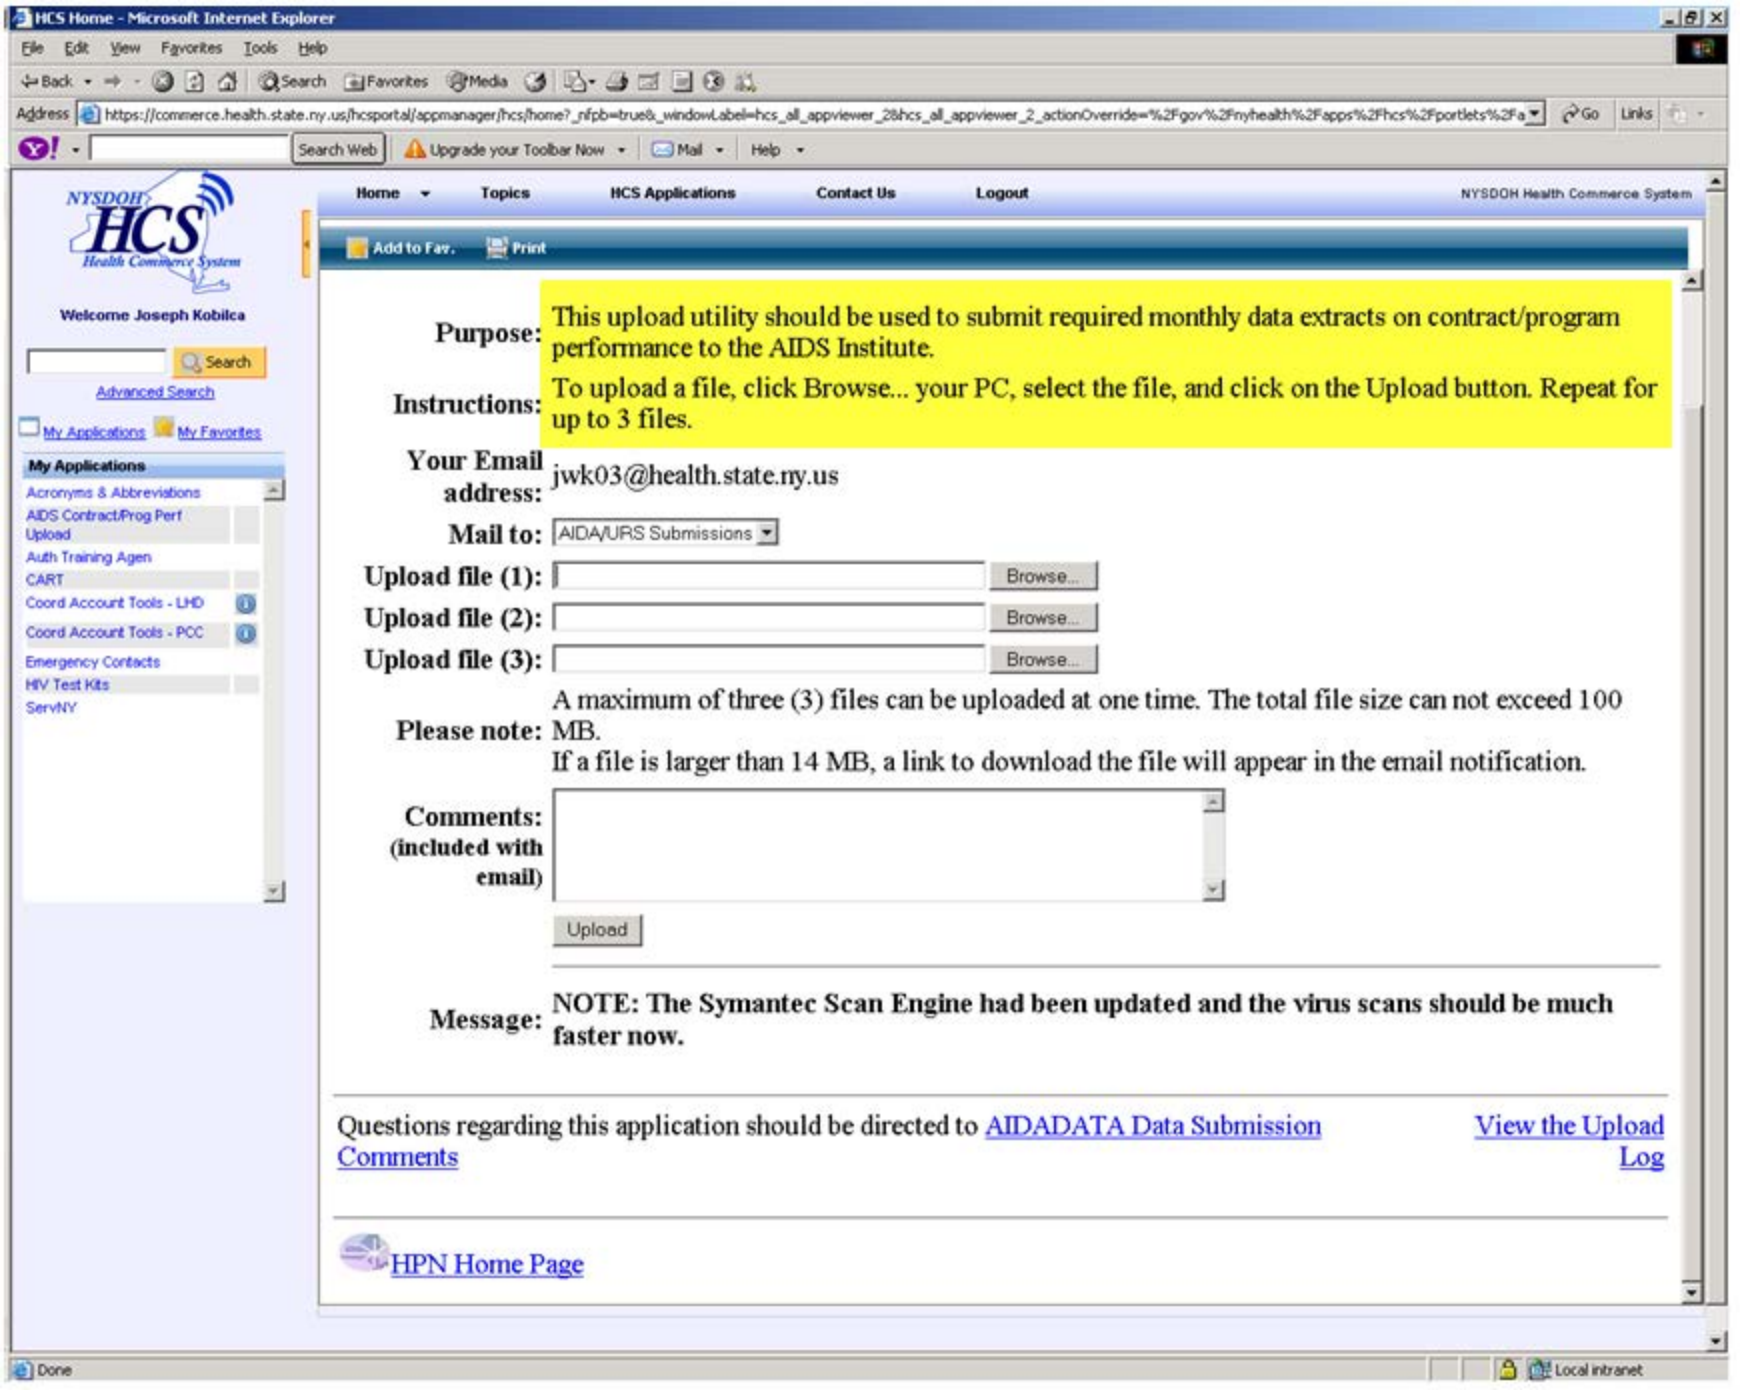

Please note: A maximum of three (3) files can be uploaded at one time. The total file size can not exceed 100 MB. If a file is larger than 14 MB, a link to download the file will appear in the email notification.

Comments: (included with email)

Message: The Symantec Scan Engine has been updated and the virus scan should run faster now. **Warning:** The Virus Scan software in the Health Commerce System will not be able to open an encrypted file to check for viruses. If you are about to upload an encrypted file, please MAKE SURE that the file was scanned for viruses or malignant codes before uploading.

Make sure you select the "RSR" option so your extract may be forwarded to the proper mail box.

Welcome Joseph Kobilca
